

Speaker Model 312LS

Model 312LS is a system designed for two channel organs installed in homes or small churches. Consisting of four cabinets, two woofers and two satellites, this three-way speaker configuration is available in utility or oak finish. The ported woofer enclosures handle all Pedal stops, including 32' Contra Violone. The satellites can be mounted on walls with woofer cabinets on the floor.

Model 312LS is also available as a single cabinet, where satellite drivers are built into the woofer cabinet. For some applications, Acousticubes can also be utilized in place of Satellites.

Consisting of: two 12" Woofers, two 6" Midrange and two Titanium Dome Tweeters.

Frequency Response: 24Hz to 18KHz

Power Handling: 250 Watts

Cabinet Weight: Each Channel— 50 Lbs.

Dimensions: Woofer cabinet— 38.5"H x 16"W x 14"D.

Satellite Cabinet— 13.5"H x 8"W x 5"D
